# Campus Computing Program

## Bring the Best of Lenovo to Your Campus

At Lenovo, we take great pride in our ability to design and deliver solutions that make a positive impact. We work tirelessly to build the most dependable products on the market. That drive, combined with unmatched experience and expertise, is what makes Lenovo the #1 global provider of PCs and Tablets.

And, when it comes to enhancing education, we're excited to offer solutions—like the Campus Computing Program—tailored just for you. The Campus Computing Program equips your students with the exact devices they need, all while giving your institution 6% back on purchases.

### What is the Campus Computing Program?

- Delivering commercial-grade technology to students
- Preset offering which can be customized to meet students' needs
- Stocked inventory in US for quick ship
  - Amazing availability
  - Aggressive pricing

### What are the Benefits?

- Customized Lenovo website where students can purchase Lenovo offerings
- Ability to offer commercial products and services
- 6% rebate on all purchases under Campus Computing Program
- Competitive pricing on tons of accessories

# It's Not Just a Laptop. It's a ThinkPad.

Our devices are engineered to pass every test. Take the ThinkPad X1 Carbon and ThinkPad P1, for example, complete with the Intel® Evo™ platform powered by Intel® Core™ i7 processors—the world's best processor for productivity on a thin and light laptop.<sup>1</sup> The Intel® Evo™ platform brings together the perfect combination of performance, responsiveness, battery life, and stunning visuals in a new class of laptops. These designs are verified by Intel for an exceptional laptop experience, anywhere.
