Keynote Address:  
Professor Robert S. Levine

2 PM

Book signing  
(books available for sale)

3–4 PM

Informal Conversation  
with Dr. Levine

FREDERICK DOUGLASS

Frederick Douglass gave his last public lecture  
on West Chester's campus on Feb. 1, 1895.

This statue of a younger Frederick Douglass  
honors a champion of human rights whose  
life-long quest for knowledge and truth made  
him a tireless voice for justice, freedom, and  
equality for all.
