

Fall and Spring Payment Plans

West Chester University is pleased to offer payment plans to help make paying for college easier and more affordable. To be eligible for any payment plan, students must be in good financial standing (no prior balances or financial holds) and must enroll in a payment plan by their **initial due date**.

- A \$35 non-refundable fee must be paid at the time of enrollment to activate the payment plan.
- Installments will be calculated into equal parts based on the plan you select.
- All payments are *automatically withdrawn* from the specified account on the 15th of each month for monthly plans. Payments for the bi-weekly plan will begin **two weeks** from the date of enrollment.
- You may choose an e-check check or credit card for your installments. Keep in mind a 2.95% service fee will be applicable to any debit or credit card transactions.
