TO SAVE YOUR SEAT

BEFORE REGISTRATION

- Review registration <u>Tips for Getting Started</u>
- Look in RamPortal:
  - <u>Find your Advisor</u>
  - <u>Find your Registration Date</u>
  - <u>Resolve holds</u> that impact registration
  - <u>Review your Degree Audit</u>

STRATEGIC PLANNING

- Use the Plan Ahead tool in RamPortal. Create backup plans.
- Check pre-requisites for your courses.

REGISTRATION DAY TIPS

- Log in early! Be ready when your registration window opens.
- Check your term: Fall 2026
- Address errors immediately. If a class is full, swap it out or look for a waitlist.
- Check for time conflicts
- After registration: Look at your Degree Audit to make sure your classes are satisfying requirements.
